## Hygiene sense

2<sup>nd</sup> Edition April 2024

ISBN: 978-1-915256-50-8

---

Date of update:  
March 2025

Please note a print error has been identified on page 17 of this publication.

The error relates to question 1 of the assessment quiz, which is currently printed as follows:

Incorrect:

1. In order to grow and multiply, bacteria needs: warmth, time, moisture and:
  - (a) Cooked chicken
  - (b) An orange
  - (c) A bread loaf

The correct question should read:

1. Which of these is a high-risk food?
  - (a) Cooked chicken
  - (b) An orange
  - (c) A bread loaf

This correction will be implemented in the next print run of this publication.

We sincerely apologise.
