53 The guidance information on conducting a search has been updated as follow:

Searching safely

Many venues that carry out regular searches now employ door supervisors of both sexes for this very reason.

Conducting searches on singlesex and transgender individuals

- Guidance on conducting a search is available on paragraphs 13.57-13.60 on pages 197 to 198 of the Equality and Human Rights Commission guidance at https://www.equalityhumanrights.com/sites/default/files/servicescode_0.pdf

There were no major updates to Module 3: ACM
