The following updates have been made to the 11th edition of this publication.

Page No	Update comments
13	The content for 'Fire Safety Standards', 1st paragraph, has been updated to: As England and Wales have the Regulatory Reform Fire Safety Order 2005, Scotland has the Fire (Scotland) Act 2005 and Northern Ireland The Fire and Rescue Services (Northern Ireland) Order 2006. Each piece of legislation identifies that there should be an individual responsible for fire safety. For the purpose of this publication, the term 'Responsible Person' will be used although it is recognised that 'Duty Holders' have the same role to play.
