ISBN: 978-1-915256-26-3

Date of update:
April 2023

The following updates have been made to the 11th edition of this publication.

Page No	Update comments
35	<p>Treatment for anaphylaxis – the following bullet point has been updated to include the word ‘adrenaline’.</p> <ul style="list-style-type: none">• If you think the person has anaphylaxis encourage the casualty to use the medication if applicable (antihistamine or adrenaline auto-injector)*.
35	<p>The following content has been updated to include the word ‘adrenaline’.</p> <p>* There is no legal problem with any person administering adrenaline using an adrenaline auto-injector if it could save someone’s life. The first aider must be able to recognise an anaphylactic reaction and be trained to use an adrenaline auto-injector.</p>
